Messy Church – December 2023

After much prayer and preparation the day finally arrived – would people actually turn up?

Our prayers were answered as 18 children and their parents piled through the door!

Crafts included: wreath-making, angels, melting snowmen biscuits, decorated light jars, paper-chains & Christmas tree ornaments.

These were interspersed with games, action songs and the Christmas story. The whole morning finished with food and a prayer. One boy said it was the best morning and he wanted to come again.
