

# Welcome to GET OWT!

Thanks for being a part of Get OWT! today. We're really glad you chose to come. Here are just a few things we want you to know and think about:

- Explore the activities in the pack with your family in your own time
- Please keep to the social distancing rules as much as possible
- Familiarise yourself with our safety sheet
- Find a space to stop for a snack and/or drink
- Take photos of what you've been doing so we can share them on our Facebook page. Please fill in the photo consent form and hand it back to us

Here are today's **GET OWT!** activities...

## Old MacDonald trail

Help! Old MacDonald's farm animals have escaped and are wandering around the woodland! Can you help to find them? Tick them off as you spot them! And don't forget to sing the song and make the animal noises on your way around the trail.

Pig

Cow

Sheep

Duck

Chicken

Horse

Dog

Cat

Rabbit

Donkey

## Farm collage

In your pack you'll find everything you need to make an easy farm sticker collage including animals, a pond and mud...so get sticking!

## Playtime: on the farm

Make a mini farm using the plate and play animal in your pack. Use the bag of oats and cereal, and pick some grass to make different areas. You could also make mud from the playdough. Now let your animal settle in to its new home! Why not take it home and add some more animals, a farmer, or a tractor?

Collect foil from the Event Shelter to cover it while you get it home.

## Some things to think about and chat about as a family:

- There are loads of animals that live on a farm. Which is your favourite?
- Have a think about what it would be like to be a farmer. What jobs do you think the farmer has to do on a farm? Can you imagine doing them?
- Next time you pop to the supermarket or shop, try and spot things that have come from a farm.
- Working on a farm can be lots of fun but it's also hard work. Next time you take a sip of milk or eat an egg say, "Thank you," to those who work on farms.
