Lesson 6 - How Do You Show God's Love?

STARTER

Start the lesson by explaining we are going to take two minutes to remind ourselves what we have learned so far about The Salvation Army. As each image appears, encourage children to discuss with a partner what they remember, before feeding back to the group. Correct any misconceptions the children have.

Now go on to read through the lesson outcomes. Explain to the pupils that we will be looking at these again in the middle and at the end of the lesson to see how much progress we have made.

FIRST ACTIVITY

Show the image of Tom explaining that Salvation Army beliefs are based on what it says in the Bible and Salvation Army members put that into action by loving and helping people in need. Explain that Salvation Army members believe in showing God's love to others and this is called Faith in Action.

Read the first paragraph on page 12 together highlighting the four ways that Salvation Army members try to show God's love. Match each of the four actions to an action card, explaining fully to the children what each action represents.

Feeding the hungry, giving shelter, supporting people by spending time with them, helping people who have been treated unfairly.

Give each pair of pupils a set of action cards, each card stuck on to a lollipop stick. Read pages 12 to 15 of the booklet *What is The Salvation Army?* These pages describe some of the actions The Salvation Army does to support people in need. Pause after each paragraph for the pupils to select which of the four action cards has been demonstrated and to hold up these cards. Give time for the pupils to feedback their reasons for choosing those cards.

Explain that to accomplish so much, The Salvation Army needs a lot of resources. Read the 'Facts about The Salvation Army' on page 15, encouraging the pupils to guess the numbers involved.

REVIEW PROGRESS

Explain that as you read out the three outcomes, pupils show their progress by using their bodies. Pupils sit on the floor if they think they haven't met the outcome, stand up if they are unsure if they have met the outcome, and stand on their chair if they think they have met the outcome. As the pupils go into position for each outcome, ask a couple of pupils to explain why they are in that position.

Lesson 6 - How Do You Show God's Love?

SECOND ACTIVITY

Explain that we have been examining ways that The Salvation Army shows God's love by caring for others. Many of the actions we have looked at are done by adults – refer to Tom's Mum who runs a lunch for older people and that is why Tom is able to help there. But children are also able to show God's love. Pose the question 'What can you do to care for others?' Remind pupils of the limitations of their ages.

Share some examples of how children can help others. Give the pupils two minutes to discuss with their partners then ask them to decide individually on a way they can help others.

Pupils start a bookmark to help remind them of their decision.

PLENARY

Once again pupils are to stand on their chair if they have achieved the outcome, stand if they are unsure, and sit on the floor if they think they have not achieved the outcome. Again, ask a couple of pupils to explain why they are in that position.

Finally, ask children to evaluate and feed back what they have learned during the *What is The Salvation Army?* series of lessons.

Additional plenary - play the *What is The Salvation Army?* blockbuster quiz game.
