

# Welcome to GET OWT!

Thanks for being a part of Get OWT! today. We're glad you chose to come. Here are just a few things we want you to know and think about:

- Explore the activities in the pack with your family in your own time.
- Please keep to the social distancing rules.
- Familiarise yourself with our safety sheet.
- Find a space to stop for a snack and/or drink.
- Take photos of what you've been doing so we can share them on our Facebook page. Please fill in the photo consent form and hand it back to us.

Here are today's **GET OWT!** activities...

## Fairy trail & scavenger hunt

Some small magical creatures have moved into the woodland! Follow the trail to see how many fairy and elf houses you can find. Have your scavenger hunt sheet ready to tick off the things you spot on the trail.

Just remember, don't disturb the fairies!

## Nature craft: fairy or elf crown

Collect leaves (avoid nettles), sticks and petals to make your crown. Take the long strip of card in your pack and peel off the double-sided tape. Stick your leaves, sticks and flowers all the way along, but leave a bit of sticky tape empty at the end so you can stick one end to the other to make a crown. Don't forget to post pictures to our Facebook page!

## Nature craft: fairy wand

Make a fairy wand using an ordinary stick – collect one on your walk around the woodland. Add leaves and flowers, and the feathers, bell and ribbon in your pack. Use the string or pipe cleaner to tie it all together.

## Activity: fairy soup

Visit the Event Shelter and make some fairy soup. First find some leaves and petals. Next collect a plastic bowl and pour in some coloured water. Add lavender and a sprinkle of glitter. Use a stick to stir it all up. Magical! (Book a time slot for this fun activity.)

## At home activities

- Read the story of the Elves and the Shoemaker – a lovely story about doing something kind for others in secret!
- Make your own fairy door out of lollipop sticks. You can find lots of tutorials online. Find a special spot to put it in your garden.

## Some things to think about and chat about as a family:

- Can you think of a good name for a fairy or an elf?
- In stories, fairies sometimes grant wishes. What would you wish for?
- Fairies and elves often do kind things in secret for others, what kind thing could you do for someone without them knowing? Could you make a card or some cakes for a neighbour or friend?
