PENTECOST

Acts 2:1-17 Guided by the Holy Spirit

Here are some ideas and activities you could do as a family

Share

Blow up a balloon. Hold the filled balloon but don't tie it. Release the air in the balloon slowly and imagine God's Holy Spirit empowering you.

Play

Create your own scavenger hunt in which your family have to run around and find things. Make the items fire coloured – red, yellow or orange. Then see if they can guess what those colours could represent. Hopefully they will say fire or flames.

Pray

Light some candles as a symbol of God's light to guide us. Pray for the Holy Spirit to help lead you in the best way.

Eat

Make an edible 'candle' using one banana and one strawberry. Slice a banana into three chunks, slice a strawberry into three pieces and balance them on top.

Talk

Have a conversation with someone in your family about what you might want to do when you grow up – and then talk about how the Holy Spirit may help you.
