

Welcome to GET OWT!

Thanks for being a part of GET OWT! today. We're really glad you chose to come. Here are just a few things we want you to know and think about:

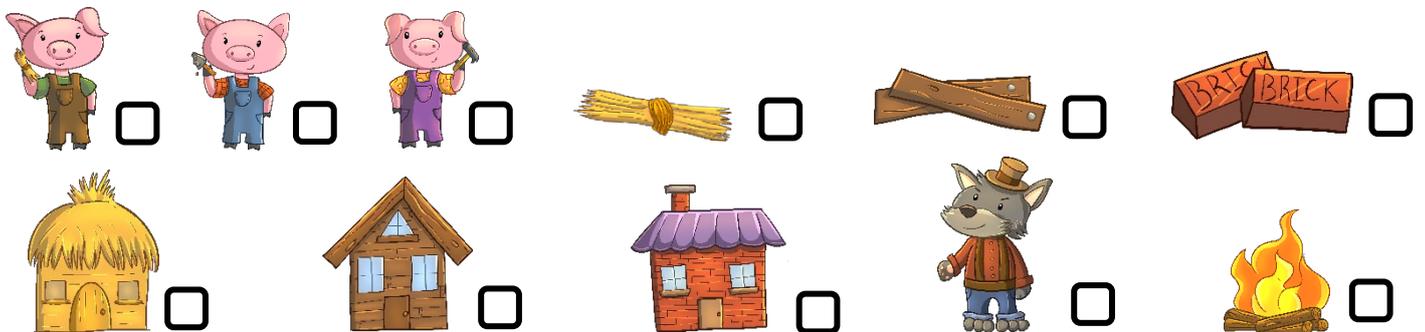

- Explore the activities in the pack with your family in your own time.
- Please keep to the social distancing rules as much as possible.
- Familiarise yourself with our safety sheet.
- Find a space to stop for a snack and/or drink.
- Take photos of what you've been doing so we can share them on our Facebook page. Please fill in the photo consent form and hand it back to us.

Here are today's GET OWT! activities...

three little pigs story trail

Follow today's trail to explore the story of the Three Little Pigs. Tick off each character or object you spot, and join in with the huffing and puffing! Watch out for the big, bad wolf though – he is hiding somewhere in the woodland!

touch and feel activity

In your pack is a 'touch and feel' card, and some squares of different material, to use on the trail. As you stop to read each part of the story, stick the square you think goes along with the story on the card. Why not go on the trail again with your completed touch and feel card?

craft: wolf mask

You'll find all the bits and bobs you need to make a wolf mask in your pack – except for one thing... have a hunt for some nice dry pointy leaves to make the wolf's ears! Peel off the bits of double sided tape to stick everything on. Stick the popsicle stick at the bottom and you can pretend to be a big, bad wolf (or a little, cute one).

playdough activity: house building

The three little pigs were very busy building houses to live in. Get creative using your playdough, straw, sticks and stone 'bricks', (plus anything else you've collected on your walk) to build your own house. How strong is it? Can you blow it down?!

at home ideas:

- Colour in the characters from the story (in your pack). Why not add sticks to make them into puppets?
- Read the story together, or find a video of the story on YouTube.
- Make a small world story tray (see picture) and play with the story.
- Play 'What's the time Mr Wolf' in the garden or park.

things to think about as a family:

- If you could build a house out of *anything*, what would you choose?
- Have you ever built or made something that got knocked down or broken? How did it make you feel?
- The third little pig helped his brother and sister, even though they made bad choices about how to build their houses. When our family, friends, or people we don't know, make bad choices, should we still help them?
- At the beginning, each pig worked on their own. But at the end, the pigs worked together to get rid of the wolf! What could you do together with other people to make a difference?
