Here are some ideas and activities you could do as a family

### Read

Acts 16: 1-5; Philippians 2:19-24; 2 Timothy 1:1-7

### Share

Invite the whole family to share memories of fathers and father figures who have supported you.

### Watch

Choose a family film to watch together which has a good role model in it. Afterwards talk about why the character is a good role model.

### Pray

Look up different Bible verses which talk about God the Father. Pray that God will reveal more of himself to you.

### Make

Make a Father's Day card together – for God. What could you write inside to thank him for being a good father to us all?
