“Finally, brothers and sisters, rejoice! Strive for full restoration, encourage one another, be of one mind, live in peace. And the God of love and peace will be with you.”

## Corps News

“Every Moment is a Fresh Beginning”  
- TS Elliot

As some of you may know this letter is being typed in a small house on the seafront of Great Yarmouth. Which is quite a way for it to travel into your inboxes. It has been a joy to be able to continue to be able to co author this little newsletter with Richard and continue to feel connected to my Corps family which I have grown up in.

However as the adage goes, all good things must come to an end, next month will be my last as part of the newsletter team. I have been offered a job opportunity with Norfolk Museums as a Project Heritage Worker. I will be part of a team which makes Great Yarmouth heritage more accessible to young adults with additional needs and those who have been in the care system. It is something I am extremely passionate about, and I am excited about the challenges it will bring. I will of course not leave you without a template for your newsletters so hopefully it won't be to much of a change for you all.

I'm off to have an ice-cream now! See you all very soon!  
Clarissa xx
