

OUT AND OUT FOR GOD.

*mf Allegro moderato.*

Words and Music by ADJ. PHILLIPS (Jamaica).

1. Once I was ve-ry bash-ful, I'd got no zeal or "go," I'd wrapp'd up my re-

- li-gion In a decent cloak, you know; 'Twas at an Ar-my meeting, I got the Blood and

*f* CHORUS.  
Fire, So now I'm shouting dai-ly, And nev-er mean to tire. I'm out and out for

God, I'm out and out for God, I've lost my fear, so ev'rywhere, I'm out and out for God.

2 Once I was neither cold nor hot,  
Although I'd seen the light,  
I lacked within my lukewarm heart  
The spirit of the fight;  
But, glory be to God to-day,  
I've got the Holy Ghost,  
I'm out and out, and fighting at  
My God-appointed post.  
  
Oh, what a transformation  
Would take place in this land,  
If every lukewarm Christian  
Would come and take their stand;

And, giving up their idols,  
Get saved to shouting pitch,  
In spite of every hard-time,  
Our country would be rich.  
  
4 Some comrades are not singing  
This simple little song,  
To sing such words so lightly  
No doubt you think is wrong;  
And yet, if you surrender  
Yourself to God to-day,  
He'll give you holy holdness  
And drive your fears away.
