

# The Song of the Month.

## CROWNED WITH THORNS.

*p Adagio.*

Words and Music by MAJOR SLATER.

Key A2. | s. :m | m :r | l. :f | f :m | m s :f | l. | t. .d :r .m.f

1. On to Cal-v'ry led, dear Sa-viour, I be-hold Thee with the curs-ing

| m :d r :- | s. :m | m :r | l. :f | f :m | m s :f | l. | t. .d :r .m.f

through a-round, Bear-ing sor-rows deep-er, great-er Than in hu-man lot on earth were

*f* CHORUS.  
| m :r | d : || m :r :r | .de r :s | r .d :d .t. | d :s

ev-er found. Crown'd with thorns I see Thee. As Thy friends all leave Thee,

| s .f :f | l. | f .m :m .s. | m :r :d | l. | s. :- . | m :r :r | .de r :s

Bleed-ing, with a breaking heart, for sins that I have done; Crown'd with thorns I see Thee,

*rit.* | r .d :d .t. | d :s | s .f :f | l. | f .m :m .s. | m :r :l. | t. | d : ||

None near to re-lieve Thee, Dy-ing on the curs-ed tree for me the guilt-y one.

2 Pangs of anguish rend Thy Spirit,  
Friendless now, a traitor's kiss has Thee betrayed;  
Love the truest is Thy merit,  
Yet Thy own have fled in haste from Thee afraid.

3 Thou art smitten, jeered, derided,  
As Thy Cross Thou bearest, bending 'neath its weight;  
Thus Thy pity is required  
O Thou Man of Sorrows,—all do Thee forsake.

4 To the Cross Thy Body nailing,  
There they fix Thee, Saviour, now to bleed and die;  
Thou art drooping, life is failing,  
From Thy breaking heart ascends Thy dying cry.

5 Love amazing, without limit!  
All Thy sorrows, griefs and pains, Lord, were for me;  
Take Thine own, oh, Thou dost merit  
All I am and have, henceforth, all Thine shall be.
