ARMENIA.

Every comrade is earnestly requested to keep on praying that God will work out deliverance for this persecuted nation. Soldiers will follow your lead. If they see you have the subject at heart, if they see you feel about it as well as speak on the horrible atrocities of the Sultan, then they will be quickened to pray and believe.

Ensign Gilliard's twin boys, born on Sunday, September 6th, at I.H.Q., are the first Army babies that have commenced life on those premises.

DO YOU INVITE SINNERS OUT TO THE DRUM-HEAD IN THE OPEN-AIR?

Conscience is not only polluted by sin, but outraged, incensed, made angry; it needs to be pacified as well as purged, and this can only be done by the blood of atonement.—Mrs. Booth.
