Empowering Leadership

“It takes more than a busy church, a friendly church, or even an evangelical church to impact a community for Christ. It must be a church ablaze, led by leaders who are ablaze for God.” – Wesley L. Duewel

“If you want to build a ship, don’t drum up the people to gather wood, divide the work and give orders. Instead, teach them to yearn for the vast and endless sea.”

– Antoine de Saint-Exupery

“True greatness, true leadership, is found in giving yourself in service to others, not in coaxing or inducing others to serve you.” – J. Oswald Sanders

Some quotes on leadership

“Leaders such as Alexander, Caesar, Charlemagne, and I have founded empires. But on what did we rest the creations of our genius? Upon force. Jesus Christ founded his empire upon love; and at this hour millions of men would die for him.” – Napoleon Bonaparte

“A true shepherd leads the way. He does not merely point the way.” – Leonard Ravenhill

“I’ve always believed leaders don’t ask others to do what they’re unwilling to do.” – Mike Huckabee

“A spiritual leader will first and foremost, have a calling from God. His work will not be his profession, but his calling.” – Zac Poonen

“A leader is one who knows the way, goes the way and shows the way.” – John C. Maxwell

“Jesus said several times, “Come, follow me.” His was a programme of “do what I do,” rather than “do what I say.” His innate brilliance would have permitted him to put on a dazzling display, but that would have left his followers far behind. He walked and worked with those he was to serve. His was not a long-distance leadership. He was not afraid of close friendships; he was not afraid that proximity to him would disappoint his followers. The leaven of true leadership cannot lift others unless we are with and serve those to be led.” – Spencer W. Kimball

“Don’t just delegate tasks to the next generation. If you delegate tasks, you create followers. Instead, delegate authority to create leaders. – Craig Groeschel

“A man who wants to lead the orchestra must turn his back on the crowd”. – Max Lucado
