Prayers

Continue to pray for Isobel who remains in QEQM after her fall last Saturday. She will be moving to a place of respite care for physio – hopefully next week.

Prayers for Josette and Joyce Hill who also had falls last week and spent time in QEQM.

Give Our Children Hearts for Learning

Lord give our children a thirst for knowledge, wisdom and understanding. May their hearts be ready to learn this year, at home, school, college, university and church. Open their ears, may they crave knowledge and seek it out.

To Be a Kind Friend

Heavenly Father, we thank you for your lovingkindness toward us. We pray our children would clothe themselves with compassion, kindness, humility, gentleness and patience this year. May they stand up against the bullies, speaking life to each other at all times. Guide us as their church family to encourage kindness and patience in their hearts. As we plant these seeds Lord make them grow!

Finding Purpose

Thank you Jesus that your plans stand firm forever! We pray you would reveal your purposes to our children. Show our children and their teachers the gifts and talents you have placed inside their hearts. Point our kids toward the road you ordained for their lives.

Prayer on Behalf of Teachers

O Lord, you who have called and equipped the teachers in our community, we pray for them today. Watch over them, provide for them, guide them, sustain them. May you be their sun and shield, so that they might do the work that you have entrusted to them and sense your care in these uncertain times. In Jesus' name. Amen.

For those who are staying – Safety
For those who are fighting – Peace
For those whose hearts are breaking – Comfort
For those who see no future – Hope

Prayer for Pakistan

As we learn of the effects of the recent floods in Pakistan.

We pray for and remember the 1,000 people in Pakistan who have lost their lives in the recent floods and for their families and friends who mourn their loss.

We pray for the 30 million people whose homes, bridges, schools, water facilities and farmland have been destroyed by the floods. May they receive the practical support and assistance to rebuild their lives, families and communities.

We pray for all the people who are providing life-saving emergency aid and assistance to those in need. May their commitment be strengthened as they witness the courage and compassion of those they serve.

We pray for ourselves, that we may be strengthened in solidarity with those in Pakistan. May we continue to provide generous prayerful and practical support for the people of Pakistan as they begin to rebuild their lives and communities.
