### **An anniversary prayer**

Forgive us, Lord, for the ways in which we have rejected your offer of infinitely more.

Forgive us for the times we've turned away from you in fear, afraid of where you might lead us.

Forgive us for the times we've closed our hearts because of disappointment, allowing past pain to rob us of future blessing.

Forgive us for the times we've held on to the traditions we're comfortable with instead of welcoming the new things you're doing. Forgive us when we've relied on our own limited resources instead of reaching for your abundant provision.

Forgive us when we've focused on the problems instead of looking up and seeing what you are doing in the lives of those around us.

Forgive us for surviving on rations when you offer us limitless love.

God of boundless grace, we choose today to welcome all that you have for us:

Make us hungry to experience more of your presence in our lives. help us to open our hearts, that we might experience your limitless love in the deepest parts of ourselves.

Give us the strength to lay aside fear and disappointment, and to choose faith and hope instead.

Give us the courage to let go of traditions that limit you, and help us to embrace change.

Give us the faith to dream big dreams and pray big prayers.

Amen.
