Lent Starts on Wednesday 22 February

The three main things we might consider focussing on during Lent are prayer, fasting (abstaining from something to reduce distractions and focus more on God) and giving, or charity.

Prayer during Lent focuses on our need for God's forgiveness. It's also about repenting (turning away from our sins) and receiving God's mercy and love.

Fasting, or giving something up, is a very common practice during Lent. The idea is that giving up something that's a regular part of life, like eating dessert or scrolling through Facebook, can be a reminder of Jesus' sacrifice. That time can also be replaced with more time connecting with God.

Giving money (our self-denial appeal is deliberately planned during this period) or doing something good for others is a way to respond to God's grace, generosity and love. For example, some people spend time volunteering or donate money they would normally use to buy something, like their morning coffee.

It's important to note that doing these things can never make us earn or deserve Jesus' sacrifice or a relationship with God. People are flawed and will never be good enough for a perfect God. Only Jesus has the power to rescue us from ourselves.

Jesus sacrificed Himself on Good Friday to bear the punishment for all our wrongdoings and offer us forgiveness. He was raised from the dead on Easter Sunday to give us an opportunity to have a relationship with God for eternity.

Spending time during Lent praying, fasting and giving can make Jesus' sacrifice on Good Friday and His resurrection on Easter even more meaningful.

A short prayer for the Lenten period

Lord, as we enter Lent help us to draw near to you in praise, stripping away all that distracts us from worship. Amen
