The resurrection, if false, is of no importance, and if true, of infinite importance. The only thing it cannot be is moderately important. (Based on words of CS Lewis)

**If Christ has not been raised, our preaching is useless
and so is your faith. 1 Cor 15:14**

We continue to pray for the family and friends of **Chris Barton** from Ramsgate Town Council following his recent death. Chris was a great friend of the corps and provided much support and encouragement.

Prayers for **Douglas** as he continues to battle with complex issues and is now in Canterbury Hospital. May God give Him healing, strength and wisdom he needs.

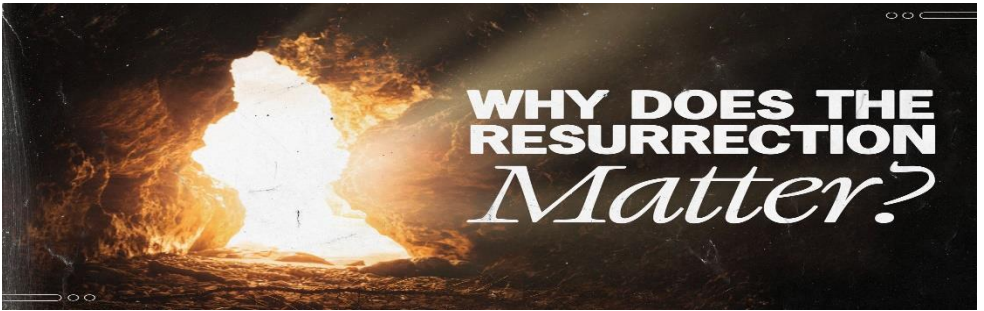

Sheila Wilcox is unwell at this time – pray for her recovery.

Our prayers continue for **Major Kathryn Blowers** and for her family as they care for her. Our thoughts are also with Katheryn following the loss of her brother Roger Bunting.

We pray for Captain **Jan Penfold** that she might soon be back to full health. We uphold **Kathryn** Bance and ask God to meet her needs. We pray too for Daniel

We continue to pray for **John McCairn**. John's recent procedure was not successful and he is waiting for an appointment at Kings College Hospital. Prayers for Josette whose recent fall has left her very weak and in much pain. We pray for **Peter Ford** and **Cheryl Yates** who are both unwell.

We also uphold Janet's son **Richard**. We remember in prayer Angela's sister **Teresa**. Finally but not finally for **Sue Layton** who has been unwell the last few weeks and waiting for care.

The resurrection of Christ changes everything. Without it, we have no gospel, no salvation, no saving message, and certainly no future hope.

Why?

1. The resurrection is the core of the Christian message and should never be neglected or assumed.
2. Belief in Jesus's physical resurrection is the defining doctrine of Christianity.
3. The resurrection demonstrated to the whole universe the deity of Jesus and God's love for him.
4. Without the resurrection, there would have been no church at all.
5. Our neglect of Jesus's resurrection may be one of the reasons our gospel preaching is so powerless.
6. The resurrection purchased our justification - "just as if I had never sinned"
7. The resurrection gives us the joy of knowing that Christ is with us today!
8. The resurrection gives us hope that goes beyond the grave.
9. The resurrection unites every Christian with the life-giving force that raised Jesus from the dead.
10. Because of the resurrection, we can know that Jesus is personally coming back to judge and rule the world.

Countless people have tried to prove it did not happen. They come to faith when they realise it is true. Join us to watch The Case for Christ at 4.30pm today.
