### **Prayers for Morocco after the earthquake**

Dear Lord,

Hear our prayers for everyone affected by the earthquake in Morocco.

May they feel your comforting arms around them at this dark moment in their lives.

May those who can, step up to provide practical help. And we plead with you God to challenge all those who should be providing support at the time and the future. In Jesus' name, Amen.

**"Haven't I commanded you? Be strong and courageous. Don't be afraid. Don't be dismayed, for Yahweh your God is with you wherever you go." Joshua 1:9**

Each night, as young Caleb closed his eyes, he felt the darkness envelop him. The silence of his room was regularly suspended by the creaking of the wooden house in Costa Rica. Then the bats in the attic became more active. His mother had put a nightlight in his room, but the young boy still feared the dark. One night Caleb's dad posted a Bible verse on the footboard of his bed. It read: "Be strong and courageous. Do not be afraid; . . . for the Lord your God will be with you" (Joshua 1:9). Caleb began to read those words each night—and he left that promise from God on his footboard until he went away to university.

In Joshua 1, we read of the transition of leadership to Joshua after Moses died. The command to "be strong and courageous" was repeated several times to Joshua and the Israelites to emphasize its importance (vv. 6–7, 9). Surely, they felt trepidation as they faced an uncertain future, but God reassuringly said, "As I was with Moses, so I will be with you; I will never leave you nor forsake you" (v. 5).

**It's natural to have fears, but it's harmful to our physical and spiritual health to live in a state of constant fear. Just as God encouraged His servants of old, we too can be strong and courageous because of the One who promises to always be with us.**
