### Prayers for Libya and Morocco after the earthquake

Dear God, we come before you with heavy hearts, as we mourn the loss of life and property in Libya and Morocco. We pray for the families who have been affected by the floods and earthquakes, and ask that you provide them with comfort and strength during this difficult time.

We pray for the leaders of these countries, that they may have wisdom and guidance as they navigate this difficult situation. May they be able to provide for the needs of their people and bring hope and restoration to those who have been affected. Amen ..
