We pray for **Joyce** Hill, Although Joyce is at home we ask that she will know God's comforting presence. Joyce is in need of much care.

We pray for **Nicole's** father Ali whose health is causing the family great concern. Comfort Nicole until she is able to join him.

We continue to pray for **Stefan Costen's** full recovery. Please Uphold Cheryl's daughter **Sophie**. God take care of her. For **Andrew McMillan** who has health concerns and is still awaiting tests to determine the treatment he needs.

Prayers for Janet's brother **Graham** who continues his cancer treatment and her son **Richard** who is also struggling with health issues. And uphold **Janet** herself in these difficult times. We pray for **Doreen**, that she will soon receive the surgery she requires to help alleviate her pain. For **Natasha's** mum whose health continues to be a concern. Pray too for **Natasha** as she seeks how best to care for her.

Our prayers continue for Marilena's father **Vasily** with his on-going health concerns and for a family friend Sonia following a heart attack and several operations.

We pray for Nick's father, **John** who has been diagnosed with pancreatic cancer.

We pray for a Ukrainian friend **Andrii**, receiving cancer care and also for **Vladimir** one of our Ukrainian friends who has suffered a brain haemorrhage and is receiving care.

We continue to pray for Katy Holmes

Dear Heavenly Father,

Our hearts are breaking for the children and families in Israel and Gaza who have and continue to experience the unspeakable horror of attacks and war all around them.

We pray for peace and ask that you will guide the hearts and minds of those in leadership. We especially pray for those children who have been physically and emotionally injured, and for those who have lost loved ones, that you will provide the right people with the right resources to help them, and that you will protect each person. Lord, we ask for your wisdom for all those involved and for the wider international community. Amen..

The 3 Fs (Radical Forgetfulness)

Forgetting past failure

Forgetting past success

Forgetting past ways

Where do we, as Ramsgate Salvation Army, need to break free from the power of the past?:

Where do I, as a follower of Jesus, need to break free from the power of the past?:

Once we have forgotten our **successes**, and **failures**, then we need to be willing to forget the **ways** we have lived in the past. In other words, instead of being change-resistant we need to become change-resilient, where we are willing to change our mind, our plans, and the way we live, so God can take us into and use us for a more amazing life than we originally envisioned.

Radical forgetfulness allows us to leave yesterday in our rear-view mirror and get out on the open road in pursuit of life's undiscovered tomorrows. Why not start forgetting today, so God can make your tomorrows greater than your yesterdays.
