40 days of lent with three elements within
Prayer comes first as we our lives do bring
To come together to Worship our heavenly king
Who came to suffer and die on the cross for our sin.

Fasting is the second element on this list
denying yourself of something that you would miss
Use these days of denial as a time of self-discipline
Centre your thoughts on Christ, and his sacrificial living

As we look deeper at what we have to give
Time, health and talents, and even the way we live
May we join Paul who says that he counts everything as loss
Because of his knowledge of Christ and the power of the Cross.

Verses referred to are Philippians 3:8-14

PRAYER SUBJECTS

Pray for the Corps Council as Corps members come together to discuss plans for future events and also any concerns for the building.

Prayers for Israel and Gaza negotiations and the ceasefire deal recently agreed. Prayer for all the hostages that have been recently released that there will now be a time of healing both physically and spiritually. Prayers for the continued issues raised in Gaza that plans made will include asking for peace, healing, and justice for the communities affected.

As we hear about countries going through different types of crisis. Pray that Leaders of these countries making decisions for the land that they will seek God's will to be done and love and compassion will be shown to all those affected by what is taking place.

Continue to pray for those families recently bereaved of a loved one that they will find the comfort and peace of Christ flowing through them giving them the support they need.
