

Byddin yr Iachawdwriaeth - The Salvation Army
Corfflu **Aberystwyth** Corps

I chi, i ni, i Dduw | For you, for us, for God

Mehefin | June 2025

The West Cynefin corps (from Aberystwyth, Carmarthen, Gorseinon, Llanelli, Morriston, Skewen, Swansea and Tenby) are joining together for worship and fellowship in Aberystwyth on Sunday 22nd June from 3pm. The theme of our time together will be '**blessings**', and will begin with an Open-Air on the sea front at the top of Marine Terrace.

At 4pm, we will worship together in the hall, including the re-dedication of our hall and ministry following the reduction in our programme and the recent building work to improve our facilities over the past year or so. As a Corps family we have continued to experience many blessings during this time, most recently sharing in the handover of the building after work in readiness for Holy Week and Easter. Praise God!

And the Lord's blessings continue to abound! This month sees us beginning new programme ministry once again - CAMEO (*come and meet each other*), every Wednesday from 11th June, and a community Drop-In (*for those needing help, support and direction in our local community area*) from Thursday 19th June.

We also have the opportunity to minister and bring blessing to the local community through our attendance at Sioe Aberystwyth on Saturday 14th June.

Please uphold all these new ventures and ministry opportunities in your prayers, seeking the Lord's blessing on all who will be involved and that all our combined efforts will seek to build up the Kingdom of God in these days.

The imagery behind a verse from Luke 6 has always fascinated me:

"Give, and it will be given to you. A good measure, pressed down, shaken together and running over, will be poured into your lap. For with the measure you use, it will be measured to you."

The words of Jesus here are very clear; when we give of our time, resources and of our very selves in ministry for the Lord and in service to others, then the blessings in return will be so bountiful and varied that we will not be able to contain them. What a beautiful image from Jesus which is still so true today. May we each therefore receive the over-flowing blessings from our Lord in these days to come, both individually and as a Corps family, remembering to love God and then others as our key foci in all we seek to do; may we look back at the end of June and see His provision and mercy in all aspects of our lives and living.

I pray that the Lord will indeed bless us, each one, and all our endeavours for him throughout the weeks ahead.

Bendition Duw i chi gyd am y mis i ddod. Paul
