

# Bath Prayer Room

# About us

Having left Bath in 1980 to spend the next 40+ years serving as The Salvation Army church leaders and mission officers all over the UK, Alan and Carol have returned to Odd Down to fulfill what they believe is a calling from God to pioneer a new expression of The Salvation Army focused on prayer.

# Values and Practice

The Prayer Room aims to provide a place to pray, rest, explore faith, learn and share with others. We use the daily prayer rhythm of the Lectio 365 Prayer App<sup>1</sup> which is based upon values and practices that help us to live like Jesus.

## Loving God Through Worship

We believe that this can be a place where people can meet with Jesus and be changed by him. In any relationship intimacy grows from time spent with the one we love.

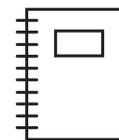

## Loving God Through Justice

The cross is a demonstration of the sacrificial love of Christ, and we believe that he calls us to acts of compassion and social justice.

## Loving God Through Creativity

We recognise that prayer is not limited to words and therefore space is provided where prayer can be multi-sensory and where people will be encouraged to engage with God in many different ways.

## Loving The World Through Mission

We aim to encourage and challenge one another to find new ways to communicate the good news about Jesus and to engage in prayer for the mission of the church locally, nationally and across the world.

## Loving Others Through Hospitality

We are committed to being a place where authentic and honest community can be built. We want to share our prayer space as much as is logistically possible and show hospitality in as many ways as possible.

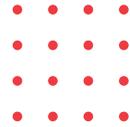

## Loving The World Through Learning

We offer opportunities to learn and grow as disciples and in our understanding of what it means to follow Jesus and effectively love and serve others.
