

## Our free Will writing services

### Local solicitor

If you'd like to talk to someone face-to-face, we can refer you to the **National Free Wills Network** so that you can have your Will written in person at a local solicitor's office. Solicitors are available all over the country — you can choose a solicitor from a list — so you shouldn't need to travel far.

1. Call our friendly team on **020 7367 4800** or visit [www.salvationarmy.org.uk/freewillwriting](http://www.salvationarmy.org.uk/freewillwriting) to register your interest.
2. Then, we will refer you to the **National Free Wills Network**. They will send you a pack containing a list of your local participating solicitors and a form to complete.
3. Contact your chosen solicitor to make an appointment, take along the form and get your simple Will written for free.

### Home consultation

You may wish to write your Will during a home visit, by phone, or via video call with a qualified Will writing counsellor. We can offer you this free opportunity through **The Goodwill Partnership**, available if you live in England and Wales.

1. Call our friendly team on **020 7367 4800** or visit [www.salvationarmy.org.uk/freewillwriting](http://www.salvationarmy.org.uk/freewillwriting) to register your interest.
2. We will then refer you to **The Goodwill Partnership** and they will call you within three days to arrange an appointment at a time convenient for you.
3. Once your appointment has taken place and your Will has been drafted, it will be checked by a solicitor to make sure that it fulfils your wishes.
4. Your Will will be sent to you for witnessing and signing.
