**Light in the darkness**

Recently in our Cameo group we talked about seasons, thinking about which one is our favourite and why. Through our discussions we decided that there are things we enjoy about them all. How wonderful the changes that happen throughout creation in the various seasons, from the amazing colours of the Autumn leaves, to the buds that appear in Spring!

This particular time of year we are now in brings with it the darker nights darker mornings. I seem to find myself grumbling sometimes about the darkness, preferring the lighter Spring mornings and long evenings of the Summer. However during these dark evenings, when I close the curtains, I bring light into the room through the lighting of candles. As Christians we carry a light within us, the light of Jesus. We carry this light through every season. We can be bringers of light and hope into our families, our communities and our churches. How do we stop this light going out? We set time aside in our homes and in our churches to read God's word, to pray and to ask the Holy Spirit to fill us, help us and use us. How exciting that we are starting our own **prayer furnace** in Aberystwyth Corps, so the light of Jesus is set flame and kept aflame continually. Our prayer is that our communities will not be overtaken by the darkness, or by the presence of evil because we ask that the light and power of Jesus protect us. We pray that as believers our lights of hope and love will never be extinguished.

In the book of John, chapter 8 verse 12 we have these words spoken by Jesus to his followers, **"I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life."** Jesus came to bring us the light of life. Let us claim this for ourselves in the days to come. A prayer for this season from the Bible Reading Fellowship: -

*"Lord God of the cross and resurrection, whose Calvary presence casts its long shadow and glorious light across the pages of scripture, bring more and more people to the place of forgiveness, healing and hope, so that they might receive in Christ the experience of life in all its fullness. Amen."*

This month, seek the Lord for

- blessing over our **prayer furnace** and especially our 'space for prayer' on a Monday at 7pm when it is launched. Prayer points on Whatsapp or available on a Sunday - see CSM Mark for more details
- energy and renewed strength in these darker times of year.
- grace in our conversations and discussions with others.
- strength for the ongoing Charity Shop ministry and especially for Carol as she heals from knee surgery.
- wisdom in the planning and resourcing of our Christmas ministry 2025.
