In our prayers this week

We remember **Mavis** following the recent death of her brother.

**Phillip Coles** has been taken to hospital suffering from numbness in his limbs. Prayers for him and Debbie. **Sheila Partfitt** remains very poorly, with limited movement. Janet's brother **Graham** has been receiving cancer treatment and was admitted to hospital because of medical concerns. We pray for Peter's brother **Simon** who has been diagnosed with cancer.

**Josette** is now back home but still remains in much pain and has not had a diagnosis for her illness. We pray for **Douglas** who continues his recovery at home. Raushan's husband **Rezaur** has pneumonia and has spent time in QEQM. He lost his brother last week. We uphold **James Edwards** whose cancer has returned and is currently in hospital in Canterbury. For **Paul** Letts who continue to battle with health concerns. For **Diane** Keogh who is unwell. And for **Sean** Johnson who has received bad news following hospital tests. Grant his peace and healing Lord. For Nicole as she prepares to return to Ramsgate for his imminent operation. For **Chandrika's** family affected by floods and landslides in Sri Lanka. The family have evacuated to higher ground. Over 160 deaths have been reported. For **Averil** and **Ken** who have continued to struggle with health issues and have been very unwell in the last few weeks. We keep **Kate** and her family in our prayers. We do not lose hope and plea for a breakthrough in her healing. We continue to pray for **John** Horne receiving cancer care.

In the wider world we pray for all affected by the tragic fire in Hong Kong, the children and families in Nigeria affected by the kidnapping in the Niger region. We continue to pray for a just and lasting peace in Ukraine

This week we continue our **prayer cycle** and invite you to pray for members and friends of our church family each day.
