Hidden to Whole

The Salvationist has produced a series for lent. This year's theme, Hidden to Whole, will look to the unploughed ground within our hearts; the hardened places and hidden fears that resist the transforming love of God. To confront these areas requires courageous discipleship, a willingness to face what is uncomfortable and allow the Spirit to do the deep work of renewal.

This six-week series will help us to search for the hidden things. This year's theme, Hidden to Whole, focuses on the parts of our hearts that are tough and hidden, which can hold back God's love. We need to be brave and face these uncomfortable feelings so the Spirit can help us heal.

In the Women's Craft Fellowship Group, we gather in small sessions each week to explore scripture together. We start by reading a passage and having a brief discussion focused on the questions provided. This helps deepen our understanding in an engaging way. After our discussion, we dive into our craft activities, allowing creativity to flow. We take home reflection sheets to think about what we discussed, and we bring back any questions or thoughts we have for the next meeting. This approach makes learning meaningful and enjoyable for everyone!
