We give thanks that the chemo that **Lance** (Pat's son) is receiving has shrunk the throat tumour and he is able to eat without a tube. Lord, continue the healing we pray. We remember baby **Olive** one of our kid's club families. Prayers continue for **Peter** Ford who is now home but remains unwell. has returned to hospital. We keep **Kate** and her family in our prayers. We give thanks for some new treatment that has started and plea for a breakthrough in her healing. Loving God,

We pray for all who are carrying the pain of loss and grief. Draw near to those who mourn the death of loved ones, and hold them in your comfort and peace. We think especially of those families who have lost loved ones through the tragic drownings last week, and to the family and friends of Henry Nowak.

We pray also for those living with fear and uncertainty—fear for themselves, for their families, or for the future. In a world that often feels troubled and fragile, help them to know your presence beside them and your strength within them.

May those who weep find comfort, those who are anxious find peace, and those who feel alone discover that you have not forgotten them. Grant courage for each new day, hope for the journey ahead, and the assurance that nothing can separate us from your love.

Through Christ our Lord. Amen.

<sup>8</sup> And when He comes, he will *convict the world* of sin and righteousness and judgement: <sup>9</sup> about sin, because they do not believe in me; <sup>10</sup> about righteousness, because I am going to the Father and you will see me no longer; <sup>11</sup> about judgement, because the ruler of this world has been condemned.
