Also Sunday worship is livestreamed* on  **YouTube**

ONE SPIRIT.

Now you are the body of Christ,
and each one of you is a part of it.

We remember **David** Gill who was expected to receive heart surgery but for other medical complications is waiting for other treatment to start. Prayers too for **Sheila** Parfitt who is experiencing a return of her health issues.

We continue to pray for Sarah's dad (and Julian's grandad) **Neil** who underwent and operation this week and will be in recovery for a number of weeks.

We continue to pray for **Lynda** Mills. The operation on 8 June was successful, and the cancerous nodes have been removed but she is awaiting results from other tests following scan results. We pray for **Maggie** who will undergo surgery in Canterbury hospital on Tuesday. **Peter** Borough continues to struggle with his health and is waiting for the results of the medical investigation. He should return soon. We continue to pray for **John** Horn who has returned to the care home and remains very unwell. We pray for **Tara** Lipinski who is unwell. Bring comfort we pray.

Prayers continue for Peter's brother **Simon**. We lift in prayer Tara's neighbour **Alison**, recovering from surgery and also **Karuna** a friend of Chandrika's who has health concern at this time. We pray for **Sean** Johnson who is still struggling with health issues. We continue to pray for Pat's son **Lance** as he continues cancer treatment. Lord, continue the healing we pray. We remember baby **Olive** one of our kid's club families. We keep **Kate** and her family in our prayers. We give thanks for some new treatment that has started and plea for a breakthrough in her healing.

We remember each other on our **birthdays**

Each week we will list some of the areas where we need extra (and new) support.

We start with **FOOD BANK**

We have needed to reduce the number of days each month that we open because we are so short of food. Can you help? There is a collection point in the foyer if you want to purchase and donate some canned or packet food.

Volunteer Helpers

Can you help setting up and setting down after activities? If you have a few hours that you can regularly commit to supporting in this way please let Carl know.

Lead Cook

We have some amazing people who help in the kitchen (especially on a Wednesday) but we need someone who will take full responsibility for the planning, purchasing and cooking of our weekday and occasional weekend meals. Please let Carl know.

Administration

There is a vast amount of administrative work to be performed. You will need to have some IT skills, but training will be provided for each task. Again, let Carl know if you can help.

Health and Safety Checks

Weekly checks on the fire alarms, for legionella, calibration and a range of other safety inspections.

For all volunteering roles there will be **training** given before you can start

Pray that God will reveal what new roles you might undertake in His church
