

Our free Will writing services

Local solicitor

If you'd like to talk to someone face-to-face, we can refer you to the **National Free Wills Network** so that you can have your Will written in person at a local solicitor's office. Solicitors are available all over the country — you can choose a solicitor from a list — so you shouldn't need to travel far.

1. Call our friendly team on **020 7367 4800** or visit www.salvationarmy.org.uk/freewillwriting to register your interest.
2. Then, we will refer you to the **National Free Wills Network**. They will send you a pack containing a list of your local participating solicitors and a form to complete.
3. Contact your chosen solicitor to make an appointment, take along the form and get your simple Will written for free.

Home consultation

You may wish to write your Will during a home visit, by phone, or via video call with a qualified Will writing counsellor. We can offer you this free opportunity through **The Goodwill Partnership**, available if you live in England and Wales.

1. Call our friendly team on **020 7367 4800** or visit www.salvationarmy.org.uk/freewillwriting to register your interest.
2. We will then refer you to **The Goodwill Partnership** and they will call you within three days to arrange an appointment at a time convenient for you.
3. Once your appointment has taken place and your Will has been drafted, it will be checked by a solicitor to make sure that it fulfils your wishes.
4. Your Will will be sent to you for witnessing and signing.
