Prayer matters...it really does!

Seek the Lord's grace and love:

- for those finding life particularly difficult in these days for various reasons, and especially for those experiencing health issues or loneliness;
- ongoing mission and ministry out of the Corps and the Charity Shop;
- for all young people and school staff at the beginning of this new academic year; for those starting a new school or college;
- for the world, its peoples and leaders in these days...that wisdom and the common good may prevail, and especially in areas of conflict and discord. May the Church bring the light and hope!

'See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.' (Isaiah 43:19)

In the act of giving, take this opportunity to prayerfully reflect on these questions:

What do you want to see God do in your community?

How can you partner with God to achieve this?

Thank you for supporting the mission of
The Salvation Army in this area.

New Beginnings

When does your new year begin? As a former school teacher, September marked not only a new school term, but a new academic year. Our girls loved starting the school year with new stationary and the discussion we often had was whether a new school lunch box or rucksack was actually needed when last year's was more than up to the job! I remember one first day ending with a new lunch box flying off the roof of my father's car!! In the Church when we arrive at September, our thoughts are already geared towards Harvest, then Remembrance Sunday, Advent and Christmas seem to quickly follow. No, I am not counting how many sleeps there are until Christmas!! As I thought about new beginnings, I was reminded that each new day is a blessing from the Lord. In Lamentations 3 v 22-23 we have these words, **"The steadfast love of the Lord never ceases: his mercies never come to an end: they are new every morning; great is your faithfulness."** Every day is a fresh start, a clean page, full of possibilities. We can receive new strength and grace every day, God's love is limitless and his riches are endless. What incredible truths and promises can be found in God's word to encourage us in these days.

At the end of this month, on **Sunday 27th September**, we will be celebrating Harvest once again as a corps family, bringing our monetary gifts as well as food to support the Jubilee Storehouse. Isaiah 43 v 19 is the verse we will use to shape our thoughts this year. **'See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland.'** This verse is a declaration of hope, provision and renewal in our communities. It is also a challenge to continually come before God for the new plans he has in mind!

At the beginning of this new season, renew us O Lord and allow us to discover the new things you have in store for us individually and as a Church, asking that you will be the focus of all we do. Amen
