

SA-LUTATION - HOVE SALVATION ARMY NEWSLETTER SEPTEMBER 2026

THOUGHT of the MONTH

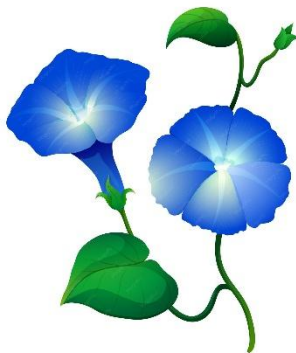

September's flower is Morning Glory, a vine like spreading plant that gives new flowers every morning. One variety, convolvulus, can be a nuisance weed, but the blue varieties are easy to grow and stunning to look at.

Morning Glory gets its name because it flowers splendidly every morning but by evening those new flowers are gone.

Are we Morning Glory people? Do we get up in the morning with joyful anticipation for the coming day, but when the evening comes, we fade a little.

Lamentations 3:22-23 says
"Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness"

Reminding ourselves that God's love and compassion for us is new every morning, we position ourselves to hear His voice throughout the day.

Could you pass this Newsletter on
to someone?

It might be just what they need!

SA-LUTATION - HOVE SALVATION ARMY NEWSLETTER SEPTEMBER 2026

The Salvation Army brings practical help and hope after devastating wildfires

We cannot have missed the devastating news of horrific Wildfires spreading across parts of Europe. These fires have dislodged people from their homes and losses are very heavy.

Here in our own United Kingdom there have been significant fires in the Cairngorms, Arthur's Seat in Scotland and also in Wales.

The Salvation Army never sleeps and has responded with emergency aid especially from Cardiff Canton Corps. Their emergency trailer has been in action, feeding and refreshing those who are fighting the fires and those who are displaced from their homes. Please pray for everyone affected in these very difficult times.
