Volunteer Helpers

Will you be a Ray of Hope?

Ray is taking a few months away from helping us and we need to find someone who will come at **11.30am on Monday** and help tidy after Toddlers and at **21.00 on Friday** to clean up after Kids Club and Youth Group. Is that you?

Cleaning

We have some incredible people who help with cleaning. But the task is huge. Will you join?

Transport

There are some people who would love to come to our activities and Sunday services but cannot. Could you provide transport?

Setup and Pack Down

Can you help setting up and setting down after activities? If you have a few hours that you can regularly commit to supporting in this way, please let Carl know.

Collecting Donations -Simply that.

For all volunteering roles there will be **training** given before you can start

Pray that God will reveal what new roles you might undertake in His church

Halloween – Choosing Light, Not Darkness

As Christians, how should we respond to Halloween? It is easy to say, “It's evil, keep away!” But Jesus calls us not to withdraw from the world, but to be His light within it.

We don't need to celebrate darkness to share the light of Christ. Instead of simply keeping our doors closed, we can open them with kindness, generosity and a message of hope.

That's why we're holding a **Family Light Party**, celebrating joy, friendship and the goodness of God. We're also preparing little trick-or-treat packs containing **Kids Alive!** and Haribo sweets for those who would like to welcome children at their doors and share something positive.

Jesus said, “**You are the light of the world**” (Matthew 5:14).

So here's my challenge: let's not hide our light behind closed doors this Halloween. Let's open our doors, welcome our neighbours and turn a simple knock at the door into an opportunity to share God's love. We cannot change the darkness by avoiding it, but we can make a difference by shining Christ's light into it.
