

# everyday

Jesus you're the one I'm living for  
And every day  
I need to know you more and more  
So help me live a life that's  
Pure and true  
'Cause every day  
I'm gonna live for you.

Give me strength to live in truth  
Lead me on and guide me  
Lord I wanna live for you.

Every day I'll shine for you.  
I'll do the things you ask me to  
'Cause I'm living just for you every day.  
Now I'll never be the same  
Since my heart, my life  
You've changed  
And your greatness  
I'll proclaim  
Every day.
