There are many ways for you to contribute to your local community by volunteering with The Salvation Army.

Whether your contribution is seasonal, once a week, or anything in between, you are joining a team of hundreds of thousands of Salvation Army volunteers across the world. You can be part of an international movement of change!

## WHO CAN VOLUNTEER?

Anyone who is in sympathy with the aims and values of The Salvation Army can get involved in some way. We welcome diversity, and we have opportunities for a wide range of ages, backgrounds, skills, availability and situations.

If you enjoy spending time with people and have some skills you'd like to share, get in touch! The rewards of supporting others are immense – volunteers often tell us that they receive much more than they give.
