

**On we march**

(Kevin Larsson)

*On we march with the blood and the fire,
To the ends of the earth we will go;
And the Saviour's love will be the theme of
our song
Because we love him so.
Charles Mehling*

Who is on the Lord's side?
Who will serve the King?
Who will be his helpers,
Other lives to bring?
Who will leave the world's side?
Who will face the foe?
Who is on the Lord's side?
Who for him will go?

*By thy grand redemption,
By thy grace divine,
We are on the Lord's side;
Saviour, we are thine.
Frances Ridley Havergal*

Just where he needs me

(Miriam Richards/Andrew Mair)

What can I say to cheer a world of sorrow?
How bring back hope where men have sorely
failed?
Just where I am I'll speak the word of comfort,
Tell how for me Christ's sacrifice availed.

*Just where he needs me, my Lord has placed
me,
Just where he needs me, there would I be!
And since he found me, by love he's bound me,
To serve him joyfully.*

2. What can I do to ease life's heavy burdens?
What can I do to help mankind in need?
Just where I am I'll share my neighbour's
hardship,
Lighten his load, and prove a friend indeed.

3. What can I do to justify my living?
What can I be to make this life worthwhile?
I'll be a voice to call men to the Saviour,
Just where I am, and win my Father's smile.

Stay on track

(Gavin Whitehouse)

*Stay on track, run the race,
Keep your eyes on Jesus and his heavenly face.
Stay on track, run the race,
Don't look behind now, keep up the pace.
Stay on track, run the race,
Keep your eyes on Jesus and his heavenly face.
Stay on track, run the race.
Strive toward the heavenly prize.*

Life is a journey, a race we each must run.
God sent his only Son to show us how it's done.
His Holy Spirit, guiding all the way,
Showing us the path we each must travel every
day.

2. The race needs endurance, we cannot be
slowed down.
Get rid of all the things to stop us win the
crown.
Sin is the big thing, that we hurdle on the way,
Look to God and be more like him every single
day... every day!
Gavin Whitehouse
